Re: Verification of Employment for Naveen Reddy Alka

To Whom It May Concern,

I write this letter to confirm that Mr. Naveen Reddy Alka was employed on a full-time basis, by Wenova Inc., located at 2388 Scheutz Road, Suite A55, St. Louis, MO 63146, in the position of Software Engineer from March 1, 2018 to March 18, 2019.

During his employment, Mr. Naveen developed software and web applications in an Agile environment, utilizing Java with Spring and Hibernate frameworks; utilized XML, XSLT, SOAP, and JSON to analyze document structures and generate data for destination systems; worked with Amazon Web Services, RDBMS (relational database management systems - PostgreSQL) and NoSQL databases; and developed web service APIs in REST, using GraphQL.

Specifically, Mr. Naveen designed and developed computer systems and web and mobile applications to meet business and software needs; designed, developed, and integrated hardware and software, which processed data quickly and efficiently; outlined the steps necessary to develop new or modified programs/applications; completed detailed system specifications; designed, developed, and built databases, coding the front-end by creating forms, queries, menus and functions; designed and developed reports, queries, and filters; consulted with business stakeholders to evaluate and analyze current business/technical systems; analyzed current business and software systems, including hardware, software, and operating systems; and analyzed data processing requirements to determine software that will meet business needs.

Should you have any questions, please feel free to contact me directly.

Very truly yours,

A handwritten signature in blue ink that reads "A. Arpitha".
